

2025 POCONO POINTS OF PRIDE

At Northampton Community College, we're fond of saying that "community" is our middle name. NCC Pocono takes that moniker to the next level – we believe in our community, and we're humbled that our community believes in us.

The Pocono region knows that education has the transformative power to open doors to new skills, careers, goals, and dreams and creates stronger communities. That's why the Pocono Mountain Visitors Bureau recognized us with a Valued Partner Award.

The proof is right there off of Route 715, where you'll find a campus ecosystem that has a vibe all its own. A fiercely tight-knit community with big resources. State-of-the-art classrooms and labs. A vibrant, full-service student experience from completing the college application to walking across the Commencement stage. NCC Pocono is built for and around community. It's who we are.

“

Pocono is the BEST! I love how open the Pocono campus is – walking in the halls and easily running into your professors and classmates is refreshing. The layout of the campus fosters a collaborative nature.

Amanda Alfaro '25

Psychology graduate, NCC scholarship recipient, and former president of Beta Beta Chi (Pocono) Chapter of Phi Theta Kappa

Monroe County high school graduates who continue their education at NCC

We're proud to serve the Pocono region – as community and workforce needs evolve, NCC Pocono is ready to deliver innovative programs to train and shape tomorrow's workers and leaders.

- Each year, 250+ Monroe County high school students join us for **Career Exploration Day**, sponsored by St. Luke's Monroe and Northeast Site Contractors, to discover their futures through career panels featuring local professionals, a career expo, and hands-on simulators.
- NCC students gain valuable job experience, insights, and networking opportunities through our **employer-partners**, including Camelback Resort, Kalahari Resort, Monroe County, St. Luke's Monroe, Sanofi, Shawnee Mountain Ski Area, Tobyhanna Army Depot, Underdog Cyber Defense, United Envelope, and Weiler Abrasives.
- Each year, **Leadership Pocono** welcomes emerging leaders for a 10-month, 11-session program to strengthen personal, organizational, and community leadership skills, culminating in team projects that support a healthy Pocono Mountains community.
- Those seeking to pivot their career trajectories or upskill in their current roles rely on NCC's respected **Community Education Programs and certifications**, like CPR, First Aid, Workplace Safety, and more!
- **The Hannig Children's Center** is a fully licensed and accredited childcare facility that enrolls children 18 months to kindergarten entry at a discounted rate, giving NCC Pocono students peace of mind that their children are safe and having fun while learning.
- NCC Pocono hosts the annual **Monroe County Community Night** sponsored by Children's Roundtable, which showcases community resources, offers free vision screenings, and includes fun children's activities.
- **NCC prepares students to succeed.** Case in point: NCC Pocono grads took some of the top academic awards and scholarships given out by Phi Theta Kappa Honor Society this past year!
- NCC Pocono isn't just committed to academic excellence – we strive to provide a **holistic, supportive community** for all students. Our dedicated staff promotes a sense of belonging and community, and we have resources to help students address financial and personal hardship so they can stay in school.

Nearly 370 Monroe County high school students get a jump start on their college careers by taking a college class (or several!) through the **Dual Enrollment program**. Discounted tuition rates make this opportunity as affordable and accessible as possible.
