SCHOLARSHIPS

WORK STUDY

FEDERAL LOANS

☐ **Step 1: Complete 2026-2027 FAFSA**

- First, navigate to studentaid.gov and click "Create Account". If a student is under the age of 24 their parents may need an account as well, to sign the FAFSA and also provide 2024 tax information.
- Students/Parents can change their account's preferred language to Spanish by clicking the "Español" button located at the top right of the studentaid.gov homepage.
- After creating your FSA ID hover over "Apply for Aid", a dropdown window will appear, and then click "Complete the FAFSA Form". Log in to the FAFSA and select the "Student" option.
- You will need 2024 1040 tax returns along with residency, personal, and demographic information to complete the FAFSA.
- Once the FAFSA is submitted, it will take 3-5 business days to process and for NCC to get a copy. Completed forms will receive an estimated financial aid offer for the academic year at a full-time (12 credits) schedule. Once registered for classes, Workday will update to show an official financial aid offer for that semester.

☐ **Step 2: Complete Pennsylvania State Grant Application**

- If you are a Pennsylvania resident you may be eligible for the PA State Grant. Go to PHEAA.org, create an account, and apply for the 2026-2027 academic year grant.
- The general application closes May 1st. However, first-year community college PA Grant applicants have until August 1st.

☐ **Step 3: Complete Workday Inbox Items and Submit Documents**

- Some students may need to submit additional documents to verify the information submitted on their FAFSA. Once logged in to Workday, click this icon  at the top right of your screen to view the inbox.
- Our office will review the documents and alert you if extra steps are needed. Financial Aid cannot be offered until Workday Inbox Items are complete (Excluding Entrance Counselling & Master Promissory Note)

☐ **Step 4: Review/Accept/Decline Subsidized & Unsubsidized Loans**

- To review or accept federal loans first log in to Workday, then click the "Finances" tab, and then select "Accept/Decline Awards". From there you can see any offered loans, accept/decline them, or edit the amount accepted.
- If you accepted loans you must complete all action items in Workday including the Master Promissory Note and Entrance Counseling at studentaid.gov. Typically, we'll get notified 2-3 days after completion. After all action items are marked as completed we'll process the loans and they'll reflect on your account.

Have additional Financial Aid questions?

☐ How to apply for a Parent Plus Loan

- To apply for a Parent Plus loan, have your Parent first log in to their studentaid.gov account. Once logged in, hover over "Apply for Aid" and from the dropdown menu select "Apply for Parent Plus Loan". Applications are subject to a credit check and an approval/denial is instant.
- If approved, the parent will need to complete a Parent Master Promissory Note for a Plus Loan before we can process and have the loan reflect on the student's account. This can be done by going to the studentaid.gov homepage, hovering over the "Grants and Loans" tab, then clicking "Master Promissory Note (MPN)", then choose the option for Parent of an Undergraduate Student
- If denied, the student may be eligible to borrow a limited amount of additional Federal Unsubsidized Loans. To learn more about the Parent Plus Loan contact our financial aid department.

☐ Apply For Work Study

- Work Study is a great way for students to earn income, while also building valuable resume experience!
- Work Study eligible students can see current job postings in Workday under the "Career" tab, then select "Find Student Jobs". Apply for jobs and the position supervisor will reach out regarding the next steps.
- Students will be paid bi-weekly through our partner Bankmobile.

☐ Apply for Scholarships

- To be considered for NCC scholarships, you must first have the current academic year's FAFSA submitted (2026-2027 FAFSA). Go to northampton.edu and search "Scholarships" in the magnifying glass to review available scholarships.
- On the Scholarships webpage, scroll down to "Apply for Scholarships" and complete the application. The scholarship office will review your application and reach out if you qualify.
