Program Notes:

***PSYC258, PSYC235, PSAP260 need to be successfully completed with a B or better.**

***PSAP250/260 and PSAP280 must be taken in consecutive semesters (required clearances and medical testing completed in PSAP260 have an expiration date, which is why it is necessary to take PSAP280 consecutively).**

Electives can be any course except: OXX-level courses & EARL 221 & 222.

Suggested Electives for career plans in a school setting:

SPED160 Introduction to Special Education
SPED210G Behavior Support

**One of the following must be completed as a Writing Intensive section: BIOS105, SOCA103, SOCA125, PSYC103, PSYC258 or an Elective

Writing Intensive course codes end in G. Example: PSYC103G is writing intensive; PSYC103 is not. Please pay attention to the option you select. For example, if you are looking for an SSHB writing intensive course, look for one that ends in G via the SSHB course tag.
