General Education Requirements

<input type="checkbox"/>		Diversity (D)
<input type="checkbox"/>		Writing Intensive

Program Notes:

One course must be designated as Diversity and Global Awareness (D).

One course must be Writing Intensive (WI). Writing Intensive course codes end in "G". Example: PSYC103G is writing intensive, but PSYC103 is not.

Students must select three courses from two of the following categories:
 Arts & Humanities (AH);
 Social Science: Societies and Institutions over Time (SIT); Social Science: Scientific Study of Human Behavior (SSHB).

How to search for general education electives:

In Workday's Academics- click *Find Course Sections & Register*, then use the corresponding **Course Tag** filter to see the available options.
 Arts and Humanities = AH
 Social Science: Scientific Study of Human Behavior = SSHB
 Social Science: Societies and Institutions Over Time = SIT

All General Education and free Electives should be selected with the assistance of an advisor in order to meet individual students' professional goals.

It is the student's responsibility to be knowledgeable of NCC graduation requirements and, if applicable, to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed.
