

Transfer Planning Tips

Spring 2026 NCC Transfer Fairs

@ Pocono: Monday, 3/2 19M-1PM in Kapp Hall 2nd Floor

@ Bethlehem: Wednesday, 3/4 9AM-1PM in College Center, 2nd Floor Laub Lounge

Keep an Open Mind

Explore transfer possibilities, and identify what you do and don't want.

Make Your Thoughts Count

- **Admissions:** What are the admission requirements (e.g. GPA, # of credits, etc.)? Deadlines?
- **Academics:** Does this institution have _____ major or a similar one?
 - Are there any internships or education experiences available for my program?
 - Do you offer online classes? Evening classes?
 - Do you offer honors programs?
 - Can students attend part-time?
- **Transfer Credits:** What is the evaluation process for transfer credit? How and when do I learn what will transfer to the degree I want?
- **Tuition/Aid:** What is the cost per semester?
 - Are there any scholarships available for transfer students? What is the financial aid process at your school? Do you offer any payment plans for tuition?
- **Campus Life:** What is campus life like at your institution? Is it easy to get involved?
 - What is a typical class size? How big is the institution?
 - In terms of walking distance, how far are the classroom buildings from each other?
- **Housing:** What on-campus housing is available for transfer students?

What to Do Next

- Review the information you collected. Review the school's website for more information. Send a short, simple thank you email to the representative and ask any additional questions that you have.
- Plan a campus visit.
